

Job openings at 2-1-1 Brevard

If you are:

- ★ Genuinely compassionate and interested in helping others.
- ★ Comfortable working with people from diverse backgrounds.
- ★ An effective communicator -- in person, on the phone and in writing.
- ★ Able to work independently as well as collaboratively.

You might have what it takes to “**Answer the Call**” for 2-1-1.

English/Spanish speakers and those with education, experience and knowledge of social services systems are encouraged to apply.

Positions available:

Homeless Systems Specialist: 2-1-1 Brevard is working with the Brevard Homeless Coalition to make homelessness rare, brief and non-recurring. The Homeless Systems Specialist will use a collaborative problem-solving process to assist individuals and families experiencing or at risk of homelessness get connected to diversion, assessment and housing services. This individual will also support agencies providing these services by providing training, help-desk assistance and report generation through the Homeless Management Information System. Our preference is to engage one high-performing individual with understanding and experience in the Brevard County homeless services continuum. If necessary, the position may be split into two part-time positions. Salary is about **\$30,000 for eight months**. Click [here](#) for full job description. **Deadline is Wednesday, Nov. 11.**

Help Me Grow Care Coordinator: Your experience with early childhood development and education can be used to launch a new collaborative service aimed at promoting early screening for and detection of developmental and behavioral problems in children from birth to 8 years of age. You will work with families, childcare providers, educators, health professional and social service agencies to ensure that parents are supported and children get the services they need. Salary is about **\$22,000 for eight months**. Click [here](#) for full job description. **Deadline is Wednesday, Nov. 11.**
